Dear Doug:

I want you to know how very much we enjoyed having you as a member of the Conference Faculty in the recent MACWORLD EXPO/SAN FRANCISCO.

More than ever before, I'm extremely interested in your feedback regarding this conference; and since (believe it or not) planning is already well underway for the Boston MACWORLD EXPO, I would especially appreciate your inputs concerning topics, speakers, and exciting ideas.

Once again, please accept our warmest thanks for your contributions to a program that might aptly be described as a roaring success!

Sincerely,

A handwritten signature in cursive script that reads "Peggy".
